MSc, MD, FRCP(C), OC
Distinguished Professor, McMaster University
Recipient of the 2024 Henry G. Friesen International Prize in
Health Research

May 1, 2025

Attend in person at
McMaster University

Join virtually
via Zoom

Dr. Gordon Guyatt, a distinguished McMaster professor and pioneer of evidence-based medicine, has been awarded the 2024 Henry G. Friesen International Prize in Health Research. As part of this honour, he is delivering a series of lectures across Canada.

The Department of Health Research Methods, Evidence, and Impact at McMaster University, in collaboration with the Friends of Canadian Institutes of Health Research, will host the special home university edition of this lecture series.

Faculty, staff, and learners, as well as the general public, are invited to attend the Friesen International Prize Lecture with Dr. Gordon Guyatt on May 1, 2025.

Visit hei.healthsci.mcmaster.ca/events/ to learn more. Whether you plan to join us in person or virtually, please **RSVP or register by April 17** to confirm your attendance.
