Dr. JEFF
READING

**Director of the Institute of
Aboriginal Peoples Health**

Mandate: to support research to address the special health needs of Canada's Aboriginal people.

Dr. Jeff Reading, a Mohawk from Southern Ontario and a CIHR New Investigator, obtained his Master of Science (1990) and Doctor of Philosophy (1994) degrees from the Department of Community Health at the University of Toronto. Currently a professor in University of Toronto's Department of Public Health Sciences, he is well known nationally and internationally for his research on native health, policy and social determinants with particular expertise in participatory research and survey research methods, along with a major focus on diabetes, tobacco use and heart disease.
